U. S. A.

Dear DX'er Morss,-

We are very pleased to confirm your reception of our little effort on the morning of March 10th., and thank you for staying up to listen.

We were more than happy at the interesting letters that all of you wrote, although, we must confess that most of the terms you used are Greek to us, such as R, QSA, QRK, QRN, QSB.

If these programs do nothing else than prove that there are a lot of nice people in the world, they are still worth while. Again many thanks and good luck.

Yours very truly,

E. G. Archibald,
Manager.

P.S: Pardon our delay in answering. It was caused by pressure of work and shortage of time.
